

## **Domestic Relations Law 1**

### **Family, Divorce, and Paternity Cases**

Don't let your family law case crater. Attached is a link to a power point presentation for those who want a preview of the following relationship transition issues: Mediation, Collaborative Practice, Court Room Protocols, Property and Debt distribution, Separate & Community Property, Child Custody, Child Support, Spousal Support, Division of Retirement, QDROS, Paternity, Parenting Plans, Marital Settlement Agreements, Priority and Advisory Consultations, Modification of Orders and More. [Family and Divorce Law Power Point Presentation](#) (see attached).

### **Family Friendly Collaborative Practice Transitions**

If you are looking for a method of seeking a relationship transition that is less adversarial, private, and avoids a forced judicial decision while allowing creative co-parenting, you might want to view the following primer: [Collaborative Practice](#) (see attached)
